THE LORD WILL BLESS US!

**“The Lord has been mindful of us;
He will bless us.” (Ps. 115:12)**

We had the privilege of receiving great ministry from my Pastor, Rev. Ric Borozny and his wife, Deborah this past weekend. During our Saturday morning corporate prayer time, the Spirit led me to declare a portion of Psalm 115 over our church family. The word that the Lord had given to Pastor Ric for our church in 2010 was from Psalm 115: 9-15, the very same verses I had declared over our church that Saturday morning! **ISN'T OUR GOD GREAT!**

The message of these few verses is powerful and it is for every believer because it is a **COVENANT WORD**. We read in verse 9, that we are to “trust in the Lord” as His covenant people. In verse 11, it says that as we walk in holy fear (not negative destructive fear) we can also walk in a beautiful, confident trust in our loving Father, for He is our help and our shield.

Saints, you and I are always **ON HIS MIND** or we could say His mind is full of **US!** He is always wanting to care for us, protect us, provide for us and simply just **BLESS US!** He does this because He is so faithful – so trustful. Pastor Ric encouraged us to **COUNT HIM FAITHFUL!** Many believers often wonder why things aren't happening or why answers to prayer take so long, when we as believers should be counting our **BLESSINGS** – declaring what **He HAS DONE!** That's where the Blessing is!! This is for everyone both great and small (vs. 13).

As we trust in Him, reverence (fear) Him and declare Him faithful for all He has done, verse 14 says that the Lord will give us increase **MORE AND MORE** even to our children. This is His Word **TO YOU SAINTS in 2010**. There is absolutely no reason to not believe Him and take Him at His Word. In these last days He is looking for a passionate, intimate, covenant relationship with His people. As we trust Him He will bless us. That is simply His nature.

I encourage each one of you to stop believing lies, submit to your loving Father and to His Word and get ready for....

INCREASE MORE AND MORE!!
