THE ATMOSPHERE OF MIRACLES

Though there is so much negative around us and we are seeing more national disasters, it is our time to **ARISE AND SHINE FOR OUR LIGHT HAS COME**. (Isaiah 60: 1,2) God's glory IS here and people ARE seeing His Glory in us and among us.

In these days of greater glory the safest lace to be is moving with the Spirit of God. We cannot sit still and just defend what we have. **THERE IS SO MUCH MORE!** God always shows up where there are hungry hearts. So let us continue to pursue Him more and more of His Presence. Let's continue to proclaim the Good News that **JESUS** the King is here and we are His Dwelling Place **IN THE SPIRIT**. (Eph. 2:22) Let's keep standing on His promise that "**NOTHING IS IMPOSSIBLE**" for Him and for **US!**

We must move from an unbelieving heart to a heart of love and faith and with a renewed mind, be transformed and, according to God's will (Rom. 12:2), transform our world around us. As we are changed everything around us will change by the power and Presence of Holy Spirit.

WE WERE BORN FOR THE MIRACULOUS! Our salvation was miraculous (born-again by the Spirit not by man - John 1:13). Our freedom from the power of sin and of the devil was miraculous (Eph. 1: 3-23). We are here on planet earth to bring Heaven's Glory to broken humanity. By releasing the Power and Glory of Jesus, which is in us, to those around us, we re demonstrating that God still loves people and so do we.

Let's set our hearts, minds and affections on things above (Col. 3:12) because we know that miraculously we are seated with Christ at the right Hand of God! He so wants our minds to see what He sees so we can be doing what He is doing.

The Supernatural realm is always superior to the natural. Light will always overwhelm the darkness. Our Father wants us to receive the revelation of these truths (His Word), so that we can experience first hand the power of His Love and Presence and pass it on. Pastor Bill Johnson from Redding, California says so beautifully that the renewed mind is the canvas of God's artwork. The renewed mind of every born-again, Spirit-filled believer should reflect the reality of God's World, the realm of Holy Spirit.

God's passion is to live in us, among us, keeping us one and through us to impact a world that has been deceived by the evil one. I encourage everyone to let Jesus into your heart and life so you can...

**SEE WHAT HE SEES
AND DO WHAT HE IS DOING!!**
