ENJOYING THE SUMMER ... IN HIS GLORY!!

(Acts 3:19)

These are great days of refreshing and revival in the presence of our God! We are living in God's SET TIME and TIME OF EXACT PURPOSE. Holy Spirit is moving in us, in the Ottawa Valley, and wherever He is welcomed. I encourage everyone to MAKE TIME to stay in the flow of what He is saying and doing. It is by enjoying HIM that we will have a blessed summer and see a great Harvest of souls come into His Kingdom.

A few weeks ago I believe that the Lord showed me many waves of His Glory flowing into His people. Two of these waves were HUGE and were more significant than the others. The first wave was the WAVE OF HIS PRESENCE that overwhelmed all those believers seeking His Face. The Holy Spirit is wanting to take us into greater revelation and intimacy with Jesus because as we know Him we will know the Father. (John 14:8-11).

The second wave was the WAVE OF HIS WORKS that overwhelmed those who were so filled with His presence that they easily moved in HIS POWER. Those believers who are saturated with the awesome manifest presence of our God, His refreshing rain, KNOW that it is His will for us to do the works of Jesus, and even greater works! (John 14:12). I believe that as His manifest presence increases in us and among us, we will see the greatest manifestation of supernatural signs, wonders and miracles that planet earth has ever known!

Our prayer for you this summer is that you stay in His Glory, stay connected to His people and demonstrate the power of Jesus that brings total Freedom, Healing and Salvation.

In His Passion,

Pastor Joe Moniz
