CANADA

"WE STAND ON GUARD FOR YOU!"

Christian believers all across the Nation of Canada are continuously praying in faith and in love for our nation and its government. We believe that it is Canada's time to be TRANSFORMED AND BLESSED! Psalm 138:4-8 declares that the Nation (and its leaders) that praises the Lord, Jesus, and receives His Words in humility, will experience GREAT GLORY. It also declares that He will revive us, defeat our enemies, and perfect that which concerns us! This is THE WORD OF THE LORD for Canada.

As a Pastor and spiritual leader in our Nation, I am convinced that we are a Blessed Nation. We read in Psalm 115:9-15 that as we trust in the Lord, He is our HELP AND OUR SHIELD. As we walk in reverence and awe of Him, He is mindful of us and HE WILL BLESS US! God's Word in this Psalm goes on to say that He blesses us AND our CHILDREN and will give us increase MORE AND MORE. Saints, that is why we need to praise and thank Him more and more. OUR GOD IS GOD and JESUS CHRIST IS LORD OF CANADA!

Because we have been given God's Son, JESUS, then we can believe and declare that the government of this Nation is upon HIS SHOULDERS! (Isaiah 9:6) There are more born-again believers in our government NOW than in any other time of this Nation's history. Let's pray in faith with thanksgiving for the increase of God's Glory in our land and proclaim together ...

CANADA ARISE!!
