LIFT UP YOUR EYES! (John 4:35)

We are living in the greatest season of the outpouring of the Holy Spirit of God and of His Glorious Presence.

Our heavenly Father is finding hearts of Faith that so blesses Him, that He fills them with more of heaven and more of Himself.

We need to go to greater and higher places of **REVELATION**. We must embrace more of God's Word and ask the Holy Spirit to show us what our Father is seeing so we can **SEE WHAT HE SEES**. We may know and experience some things but there is so much more to experience in Him.

LIFT UP YOUR EYES! When we see people, marriages, families and situations through hearts of faith, God's Supernatural Power is released in us and miracles occur all around us.

Here are a few helps to staying **FAITH** focused:

1. What I know may hinder what I need to know.
2. Greater revelation makes greater anointing available.
3. Intimacy supercedes being a servant.
4. Time is *speeding* up!

Next week we will elaborate and open up each of these. Keep expecting more of Him in order to
....

DEMONSTRATE MORE OF HIM!!

~Pastor Joe Moniz
