SEEING DREAMS FULFILLED!

We are living in a day when our Father's dreams are being fulfilled. Many are coming into a personal revelation and encounter with Jesus Christ as Lord and Saviour. Others are being dramatically and supernaturally healed and set free. What an AWESOME GOD WE HAVE!!

Last week we talked about knowing that our good & godly dreams are from God. He has given us the steps by which we can know this is true: Daily Surrender, Be Transformed and Stay in Faith (Romans 12:1,2). The Father and Jesus so wants us to see what Heaven sees that They have given us Holy Spirit to help us to be a part of bringing Heaven's dreams and plans to this earth. These creative dreams birthed in our hearts through fellowship with Him have their fulfillment in Heaven. This is God's design and process:

REVELATION + DECLARATION = MANIFESTATION

In Colossians 3:1 we read that if indeed we are born again by the spirit of God we are raised with Christ and seated in Heaven with Him. Then as we look into what He sees and has already prepared and accomplished we can receive it by faith and with the Holy Spirit's help cause those dreams to come to pass.

The Father's will is that we work with Him and not for Him. Therefore, knowing that our dreams are from Him means we are involved in seeing those dreams fulfilled.

As we said earlier, first the dream comes by REVELATION. When our hearts are anchored in Heaven (Colossians 3:1-2) which is HIS WORLD, it is here that we see what He sees and are equipped and empowered with fresh anointing to do what needs to be done in our world. Just as God dreamed and planned the worlds and then spoke them into existence, we too dream and then speak or declare the dream until it comes to pass. Proverbs 18:20,21 (reveals to us how important the produce of our lips is Death (destruction) and Life (creative power) are in the power of our tongues. Therefore dreams are birthed by revelation and what explodes in our hearts and minds comes out of our mouths (Matthew 12:34). Faith can simply be defined as BELIEVING, SPEAKING AND ACTING. As we fellowship with Father, Son and Holy Spirit (faith is fellowship), we will see what They see, believe and speak what They say and live out Heaven's dream.

God's Dream for us individually and as families is beautiful. We have a big part to play in seeing that dream fulfilled. Let us surrender to Him, to His Word and to His Spirit and we will ...

BRING IT TO PASS!!**
